WHOA.

To Ryou Narushima-sama

From Hiroshi Itou

To my beloved Ryou-chan,

How are you?

No matter what, you must eat a balanced meal, you know.

To my beloved Ryou-chan,

How are you?

No matter what, you must eat a balanced meal, you know. As a model transvestite, I'm trying my best to hone my skill everyday, so that I can cook for you soon, Ryou-chan. Please wait for me.

Since I've moved here, I've found my dream. And that dream is... (I'm so embarrassed), to live with Ryou-chan. Actually, we don't have to live together. As long as I can stay by your side, I'm happy. You don't even have to work, I will take care of you. I've found out about the Grand Cross event in the newspaper. I don't want Ryou-chan to do something dangerous anymore. Let's think about our future.

I want to live like that next.

...But it feels good to do work that creates something.

SOME-
THING

THAT...

WHAT AM I

THERE'S

Gon is a very gentle ogre, so he was always bullied by his fellow orgres.

On a full moon night, after a ruthless storm,

a young girl was washed up ashore.

Gon helped the girl and took her to his house that's located on the outskirts of the village.

Her name was "Tsukuyo".

The girl couldn't remember a single thing except her name.

Because of Gon, the girl recovered quickly.
